

Anna White

I have 2 children at Milton CE Primary, in Years 6 and 5. I am a Chartered Accountant and for the past 4 1/2 years have worked for Cambridgeshire County Council, firstly as a Primary School Financial Adviser and then as a Senior Accountant in the Learning Directorate within Children and Young People's Services. As a School Financial Adviser, I worked with the Headteachers, Governors and Finance Staff at approximately 15 primary schools in Cambridgeshire, assisting them to prepare their school budgets, and monitoring their accounts during the year. Within the Learning Directorate, I assist Budget Holders, Heads of Services and Directors, with day-to-day accounting issues through to higher level strategic planning. The Learning Directorate is responsible for Early Years and Childcare, Primary, Secondary and Special Schools, plus their support services. I aim to use my work experience, plus effort and enthusiasm, in my Parent Governor role at Milton CE Primary. I have enjoyed being part of this capable and hardworking team over the past year, and look forward to meeting the challenges ahead, with the aim of providing the best possible education for all of our children.
