

Catherine Phillips

I joined the teaching team at Milton in 2006 and I have taught in Year 4 and Year 6. I thoroughly enjoy working at Milton CE Primary School; working with an incredibly supportive staff and liaising with parents to engage and enthuse children in their learning. I took on the role of teacher governor in 2010. I enjoy working as part of the governing team to ensure each child has a broad, balanced and exciting curriculum.
