

Dear Parents / Carers

Summer Fayre

I am sure everyone that attended last Friday's summer fayre will agree that it was a very enjoyable event; once again we were so lucky with the weather. Several people have remarked that the committee achieved a really good balance of activities for the children as well as places for adults and families to sit and enjoy themselves on a lovely July evening. As always much work had been undertaken beforehand in order for the evening to run so smoothly, so on behalf of everyone that enjoyed the evening, can I say a big 'thank you' to the MSA and their band of helpers.

These events are a very important part of the role of the MSA. Without the funds raised and given to the school we would not be able to provide such rich learning experiences for the children. Of equal importance is the role played by the MSA in helping to promote the sense of community which is such an important part of Milton School. This year the committee is losing several key members who have served the MSA well for a number of years. Without new members joining the committee there is a real danger that the MSA could fold. The committee is very well organised with small groups focused on different events; with a good team the work can easily be shared. If you are unable to commit yourself to meetings but would be able to have your name added to a list of possible helpers please talk to a committee member. All skills and new ideas are welcome!

This afternoon your child should be bringing home his/her annual report; there will be the opportunity to discuss any concerns you may have at the open evening on Monday 11th July. Two year groups (current Foundation Stage and Y1) have been reorganised in order to achieve balanced class groupings. Full class lists for these two year groups will be available on the evening.

Sports Day

It will be sports day for F/KS1 on Tuesday 12th July and KS2 on Thursday 14th July. Both mornings will begin at 9.15 and last approximately one hour. Please make sure your child comes to school in PE kit and brings their uniform to change into. KS2 children need to wear a tee shirt in their team's colour. All children need a sunhat and water bottle. They will need to have their sun cream applied before they come to school.

Thank you to everyone who have sent in money for the sponsored walk. The sponsorship money has just gone past £2500. Well Done!

Can I take the opportunity to remind you that school does not authorise holiday absence in September as the impact on individual children and classes is too significant.

Yours sincerely
