

Year 6 Trip to Milton Country Park

To celebrate the end of SATs week this year we went to Milton Country Park to have our Strawberry Picnic. When we were at the park we went for a walk round the lakes carrying out our story stick activity. We then retold our stories in the Wild Place around the camp fire. After lunch we had time to explore the rest of the Wild Place. We all had an excellent day, please have a look at the photos below
