Dear Parents/Carers

This very eventful term is rapidly drawing to a close; the children are beginning to look tired and everyone is looking forward to the opportunity to relax and enjoy the spring sunshine.

Church Inspection - Following the inspection on March 2nd, I am pleased to be able to send a copy of the SIAS report to you.

Summer Dresses - As the weather is improving many of you will be looking for school summer dresses. We have a selection of nearly new dresses in many different sizes and styles that can be purchased after school next Monday and Tuesday (50p an item).

Book Fayre - Thank you for your support for the book fayre. Teachers will be selecting a collection of books from the commission received. Can I also thank Sima Waring and the parents who organised the event.

Gardening Club - The school gardening club is well under way and many children are enjoying digging and weeding as we prepare a new bed for our potato crop this year. Rhubarb, garlic, onions, and strawberries have also been planted.

As part of our involvement in the Foodshare project we have been in contact with the chef at Milton Hospice to find out what they would like us to grow. They would really appreciate any of the following produce: Broccoli, celery, aubergine, white and green cabbage, cauliflower, courgettes, lettuce, tomatoes, peppers, swede, turnip, carrots, parsnips and runner beans.

If you would like to donate a packet of seed to gardening club to support us in this exciting venture we would be very grateful. There is a seed donation box outside the office area. Thank you to parents who have already donated, seed sowing is beginning in earnest!

Our plastic bottle greenhouse also needs your support as we have nearly run out of bottles! If you are able to send any clear 2 litre plastic bottles into school, it would help us immensely if you could flush out the bottle with warm soapy water and soak off any labels. Finally could you remove the bottle cap and cut off the **base** of the bottle. Thank you! **Fiona O'Shea**

Crochet Club - Urgently needed - Do you have any spare knitting yarn we could have for our Crochet Club? Any quantity in any colour will be gratefully received! Please donate via the School Office. Thank You. **Kit Howes**

Congratulations to:

Zoe L. who recently scored two goals in an important Under 12's football match against Burwell. The team has since gone through to the finals which will be held on May 1st on the Cambridge City pitch. Good luck to the team!

Daniel C, Zachery S, George P and Art P who all took part in the three mile Sport Relief Run at Milton Country Park. So far they have raised over £125 – a tremendous effort, well done to all of them.

Finally - Can I remind you that school closes on Thursday April 1st so it will be a non uniform day.

Yours sincerely

SUMMER PRODUCTIONS

with the Helen O'Grady Drama Academy

The Summer term is our production term when every class rehearses a play which features in our production weekend in July. All the plays will be performed at the Comberton Leisure Centre – a fantastic performance space. Lower Primary students (5-7 years) will act out the story of how the lion got his roar; or find themselves in a game where they must outwit the Liquorice Witch. Upper Primary (8-11 years) will be crew members or robots on board Cruiser 5, under attack from the Targons. Alternatively they may find they are on holiday with or, even worse, working for Jetlag Tours – a tour company which does not always manage to deliver on its promise.

Drama sessions run at Milton Primary School, every Thursday afternoon; Lower Primary (5-7 years) from 4.00 to 5.00 p.m. and Upper Primary (8-11 years) from 5.00 to 6.00 p.m. No experience is necessary and we have lots of fun.

To find out more about how to join the Academy, contact our office on **01223 208731** or visit our website: www.helenogrady.co.uk.
