Dear Parents / Carers

This term seems to be passing very quickly; it hardly seems possible that it is only four weeks until the end of term. The children seem to be very busy with groups out and about at sports events, dance and musical activities and trips to local places of interest. It is a very busy time of year for families so I have enclosed a revised copy of the dates of school events.

Creative Week Next week is creative week which is a particularly enjoyable time in school. During the week we will be building our green house from recycled plastic bottles. You may have noticed that thanks to help from some families, the frame has been completed but we would still be grateful for help laying the paving stones. Please could you send into school any 2 litre bottles that you have been collecting for us? We would be grateful if you could remove the label and cut the bottom off each bottle.

Website Please can I thank the parents who completed the web site questionnaire; your comments will be included in the discussions prior to the building of the new website.

Tesco Tokens Thank you for sending in the Tesco tokens. We have packed up 67,000 tokens which we will be able to exchange for lots of new ICT resources and gardening tools for the children.

Cricket Last week two Year 6 Kwik Cricket teams went to Burwell cricket ground to play against other schools. The children endured torrential rain and had to take part in a 'bowl off' (similar to a penalty shoot out in football) to see who went through to the next round. Both teams tried really hard, with one of them progressing to the county finals next week. The children represented the school with great pride and displayed excellent sportsmanship. Well done Year 6 cricketers!

Yours Sincerely

SJ Dorrington

MSA News

Thank you to everyone involved in the Car Boot Sale. The weather may have put off the buyers, but it certainly did not dampen the spirits of all those there on Saturday morning! Most of the seller's time was spent under an umbrella or covering and uncovering all they had to sell. There was even a competition between certain stalls as to who could sell the most!! We are still waiting to find out the winner!

An impressive £402.71 was raised through pitch fees, second hand uniform, teas, coffees and the bacon butty!!! Well done and thank you very much to everyone that helped and supported the event.

RAFFLE PRIZES – Donations please

Do you work for a company that might be able to donate a prize for our Summer BBQ raffle? Does it have some spare samples or promotional gifts that it could offer? In return, we would advertise the company name and donation wherever possible on the evening, around the raffle table and any printed literature to advertise your company's generosity. Please contact Sharen Halfpenny either through the school office or on sharen.halfpenny@halfpenny.net to offer any donation that your company feels able to contribute.

WATOTO CHILDREN'S CHOIR

Performing at 7.30pm on Friday 26 June at Milton C of E Primary School.

Watoto means "The Children", and these children are on a mission. Through their inspirational songs and compelling stories, the Watoto Children's Choir is spreading a message of hope for Africa's children.

Since 1994, the choir's have toured internationally as ambassadors for Watoto Child Care Ministries, a holistic orphan care program based in Kampala, Uganda. "Concerts of Hope" inform people of Watoto's vital work and afford audiences the opportunity to participate in restoring hope and dignity to some of Africa's most needy children.

The choir's music and multimedia presentation is a soulful fusion of gospel and contemporary African style. Dressed in colourful costume, the children's enthusiastic song and energetic dance has moved audiences world-wide. In November last year Watoto Children's Choir had the privilege of singing for Her Majesty the Queen at Buckingham Palace and also at the Commonwealth Heads of Government Meetings in Kampala.
